Dear Ken,

Retiring after 22 years of a truly rewarding career with BHHS Fox & Roach/Trident is a bittersweet moment. I can honestly say having worked with you as our company's leasing attorney for 15 years has been a superior experience.

Through the toughest negotiations, with tight turnaround times, and in some very challenging situations, you always delivered an exceptional experience for us. It is said that we get what we pay for in life. Your ability to achieve desired results on schedule, flexibly, and pleasantly make your services truly cost-effective.

Your trusted skills and professionalism helped our company achieve its space and facility management goals over the years. You have been and continue to be an invaluable partner in our growth.

It's never easy to leave colleagues we admire and a meaningful role. So while I look *forward* to a relaxing retirement visiting our home in Florida and spending time with family and friends, I will look *back* on my years working with you with gratitude and deep satisfaction. It has been a great pleasure working with you, and I wish you all the best for 2018 and the future.

Warm regards,

  
Lynn Knapp
